SECTION 1 – Ensuring League Success

To ensure the success of the league, East Valley Baseball reserves the right to modify and/or change these rules as deemed necessary. The latest revision will be indicated under the title page header.
Follow these rules...All the rules!

Do **NOT** change the rules by both coaches “agreeing” to change the rules!
This infraction will result in the game being played to be a forfeit.
These are general league rules which may supersede actual baseball rules and may or may not cover rules agreed upon at the current coaches meeting. Contact the league director to verify any rule updates or changes.

The league director (at his or her discretion) reserves the right to enforce or not to enforce any or all of these rules.

SECTION 2 – Extension Reference to these rules and regulations

East Valley Baseball will use the current “Triumph Books Official Rules of Major League Baseball” along with the following East Valley Baseball specific modifications. So, if you don’t see the rule here, the rule in the “Triumph Books Official Rules of Major League Baseball” will apply.

SECTION 3 - Rules and regulations applying to ALL divisions.

3.0 - Players

3.0.0 – Score cards will be filled out for Rookie and above divisions with Players First and Last name, number, and batting order and submitted to the umpire (Rookie - Major).

3.0.1 - A game may not begin or continue with fewer than...

T-Ball – **N/A**

Rookie – **six (6) players**

Rookie/Farm, Farm, Minor & Major – **eight (8) players**

A coach who is not able to field a team of players at game time shall be given a ten-minute grace period to field his team. If he is unable to do so, the umpire or league representative shall declare a forfeit.

3.0.2 - If, due to an ejection, a team is reduced to less than the number of above players, and the coach is unable to field the number of above players from his/her current East Valley Roster, the umpire shall declare a forfeit.

3.0.3 - An injured player may not re-enter a game from which he was removed due to injury under any circumstances.

3.0.4 - An ejected player may not re-enter a game from which he was ejected under any circumstances.

3.0.5 - An ejected player who is serving his one game suspension may not enter that game under any circumstances.

3.0.6 – A batting order (line-up) will be established before the start of the game. The line-up will include the players first and last name and the player's jersey number. The line-up is to provide a reference to maintain the batting order. If a name was misspelled or a number was incorrectly submitted on the line-up card, it shall be corrected when noticed and the game shall continue.

Clarification: the actual player (person) in the line-up shall be the proper batter. There will be no penalty for wearing an incorrect jersey or inadvertently submitting the wrong number.

3.0.6.1 – An "umpire" card with the above information will be submitted to the umpire before the start of the game. This card will be the official line-up of the game.

3.0.7 – Due to the competitive nature of baseball and for safety concerns, the coaches of each individual team will decide what players play in game situations and where they will play.

3.0.7.1 – Tball and Rookie A divisions will play all players on offense and defense. These are the only divisions that do not have players "sitting on the bench."

3.0.8 – Considering ability levels for females and disabled players, age exceptions may be considered for these players. This will be a participation evaluation method based on safety. If it is deemed their participation creates a safety issue, they will not be allowed to continue to participate.

SECTION 4 – Individual Players/Team Players/Club Teams

4.0 – An individual player is a player that registered as an individual, unattached to any team. The league will either have a try-out and a draft or the individual player will be placed on a team at the leagues discretion. Players may be added after league registration is closed depending on how many roster spots are available on a league team.

4.1 – A “club team” is a team that registers as a complete team. The club team registration fee is based on a 12 player roster. However, the team roster is NOT required to have “12” players on the roster. They must however have enough to field a team. The fee is a pre-determined cost based on when the club team registers. This cost does not include uniforms or any kind of uniform rebate.

4.1.1 – The ‘per player amount’ is the total paid at registration divided by 12.

4.1.2 – If a club team who has registered with the league, acquires a league player who has already registered and paid the league as an individual player, the league will ‘credit’ the club team based on the ‘per player amount.’

4.1.2.2 – The league has a no-refund policy and the acquired player will forfeit any amount over the credited amount they already paid with their registration. This amount will be applied to the general non-profit fund and administrative costs of the league.

4.2 – Players may be added to a club team roster before their first game of the current season. After the start of the season, additional players may be added for a \$50 administrative fee for the first add and \$100 for the second add. This may only happen twice per season and may only happen if the added player can still play in half of the games. Exceptions may be made if a team does not have the minimum number of players to take the field.

4.2.1 – Any players being released from a team roster may not return to the team’s roster for that season.

8.2 - Runners

8.2.0 - On a ball hit to the outfield that is stopped by an outfielder or remains inside the cones, runners may advance until the ball is thrown toward the infield. If a fielder holds the ball, runners may advance. As soon as the ball is thrown (released) toward the infield, runners can only advance to the base they are already headed to. All advances are at the runner's risk.

8.2.1 - A runner may not leave his base until the ball reaches the plate. If the runner does leave early, he must return to the base from which he started.

Abuse of this may result in the runner being called out.

8.2.2 - A runner may not advance past the base they are approaching when an infielder has possession of the baseball.

8.2.2.1 - An infielder has possession of the ball once it is fielded or picked up. If the ball is kicked, swatted, or deflected the runner(s) may advance.

8.2.2.2 - If an infielder runs to the outfield to retrieve the ball, he becomes an outfielder thus allowing the runner to advance bases until the ball is released.

8.2.3 - A runner on third base may advance **ONLY** when the ball is hit.

8.2.4 - Runners may **NOT** advance on an overthrow. It is the intention of this division to develop the defensive player to throw to the base.

8.2.5 - Runners leaving the baseline to avoid a tag shall be declared out. (~ 3ft. on each side)

8.2.5.1 - This is a judgment call by the umpire.

8.2.6 - Runners on base may not advance if a fly ball is caught. (i.e. no tagging up)

8.2.7 - Runners may NOT intentionally collide with a defensive player even if they have "the right to the base path" etc. The runner will be called out and possibly ejected from the game.

8.3 - Fielders

8.3.0 – Players on offense

8.3.0.1 – Rookie A Teams shall field their entire roster. The infield shall have a maximum of six infielders (playing proper infield positions) and the remainder of the roster shall be in the outfield grass.

8.3.0.2 – Rookie AA Teams shall field a maximum of 12 players. The infield shall have a maximum of six infielders (playing proper infield positions) and a maximum of 6 players shall be in the outfield grass.

8.3.1 – A catcher must be used unless a team has 8 or less players. If a team has 8 or less players then the catching position is optional and the game may be played without a catcher. Clarification: If a team has 9 or more players, a catcher must be used.

8.3.2 – Infield players should be taught proper defensive positioning with base runners to avoid interference with a runner (i.e. One foot on the edge of the base vs. standing on it. Standing in front of, or behind the base path, vs. standing in the path of the runner.) Interference by a defensive player may result in the runner being awarded the base. An offensive player intentionally colliding with a defensive player will be called out and possibly ejected from the game.

8.3.3 – Proper infield player positions should be emphasized. The “kid pitcher” must have at least one foot in the pitching box when the ball is pitched (unless the coach pitcher elects to throw from beyond the box, then the player may be to the right, left, or behind the coach pitching the ball.) Make sure this position is fielded by a player who can pay attention to the game at ALL times!

8.4 - Batters

8.4 – Three strikes is an out. A batter has six pitches to hit the ball in play. A strike is only called on a swing and a miss. If the sixth pitch (and any subsequent pitch) is fouled off, another pitch is thrown. If the sixth pitch is NOT swung on, the batter shall be declared out.

8.4.0 - A ball hit in the air that lands past the cones shall be ruled a home run.

8.4.1 - A ball hit in the air that lands between the infield/outfield grass and the cones, and rolls past the cones, shall be a maximum of a triple; however any advances are at the runner's risk.

8.4.2 - A ball hit on the ground (infield dirt) that rolls past the cones shall be a maximum of a double; however any advances are at the runner's risk.

8.4.3 - Any ball hit that rolls past the cones earns the batter a chance to try and make it to a “max determined base” at their own risk which negates the “release point” of the outfielders throw in.

8.4.4 - A ball hit, whether in the air or on the ground, that does not roll past the cones, shall be a live ball with the runner taking as many bases as possible.

8.4.5 – Bunting is **not** permitted.

8.4.6 - The *last batter* shall be played as if there were “two outs.”

8.4.6.1 – All runs scored before that out is made, will count (if the out occurs in a tag-out situation.)

Clarification - All runs scored before the out is made will count if the third out occurs in a tag-out situation. For example, if there are two outs with runners at 2nd and 3rd and the batter hits a ball that results in the 2nd base runner being tagged out at 3rd for the 3rd out yet the 3rd base runner made it home before the actual out was made, the run would count. If on the other hand, the runner made it home after the tag out was actually made, the run would not count. If the out occurred on a force-out situation, the run at home would not count, even if it was achieved before the out was made.

8.4.7 - The last batter on a team with more players will be determined by the number of players on the team with fewer players. That batter will be designated as the “two-out” batter.

9.4.8 – Batting out of order: A batter who misses their at-bat will bat at the end of the line-up and will not produce any runs. They will reenter their original position in the line-up the next inning.

9.4.8.1 – An ‘at-bat’ will be determined by one pitch being thrown.

9.4.8.2 – If more than one batter misses their at-bat, they will all go to the end of the line-up i.e. if batter 7 follows batter 4, both batters, 5 & 6 will go to the end of the line-up.

8.5 – Equipment

8.5.0 - Bats – Any bat used must be a manufactured bat that includes usage specifications. The bat shall be round in cross section for its entire length, straight from end to end for its entire length and smooth surfaced in the hitting area. The maximum diameter shall not exceed two and three fourths (2 3/4) inches and the maximum length shall not exceed thirty-six (36) inches. The bat shall be constructed of wood, aluminum, or any other material or combination of materials unless such materials or combinations of materials are specifically disapproved by EVBB. Such disapproval shall be the sole discretion of EVBB and may be made without notice.

8.5.0.1 - All bats that exceed the 1.15 BPF (Bat Performance Factor) as defined for baseball bats by ASTM Standards, may be disapproved by EVBB. Such disapproval shall be the sole discretion of the League President or EVBB Board members and may be made without notice.

8.5.0.2 – Bats with the words “**Coach Pitch**” are mostly designed for use with R.I.F. balls, which are not used in the EVBB Coach Pitch division, and will **NOT** be allowed to be used in EVBB

UNLESS it has one or more of the following:

1. “*Approved for play in Little League, Babe Ruth Baseball, Dixie Baseball, Pony Baseball, AABC*”
2. If it is an official bat of Major League Baseball and has the MLB logo on it,
3. Says “Official Baseball” on it,
4. It has a BPF of 1.15 indicated on it.

8.5.1 – Catchers are required to wear an approved mask with proper head protection, a chest protector, shin guards, a protective athletic supporter and cup.

8.5.1 – Please return all league equipment at the end of the season.

SECTION 9 - Rookie AAA Division Rules

9.0 - Games

9.0.1 – Players – ages 6-7

9.0.1.2 – Players shall not turn 8 years old before Oct. 29th of the current year.

9.0.1.3 – Age verification will be done via birth certificate.

9.0.1.4 – All players will be included in the batting rotation. Only ten (10) players will play defense. Additional players will remain on the bench until they are rotated in.

9.0.2 - Seasons

9.0.2.0 – 8-10 game spring season (Mar-June)

9.0.2.1 – 8-10 game fall season (Sept-Dec)

9.1.0 – Teams shall play one or two games per week consisting of **four innings** or **1 hour 30 minutes** drop dead whichever comes first.

9.1.1 – If after 3 ½ innings the home team has officially and technically won the game, that will be the FINAL score, ALTHOUGH, play will continue as it is our goal to play a complete game for the players to develop and learn the game of baseball, it is our intent to have the teams play four complete innings. The score at the end of four will be used to break any ties at the end of the season. The game will “Drop Dead” at 1 hour 45 minutes.

9.2.0 - A lineup card shall be submitted to the opposing team’s scorekeeper prior to the start of every game.

9.2.1 - A lineup card shall include batting order with players first and last name and jersey number.

9.2.2 - Late arrivers shall be added to the end of the lineup. A late arriver may be added to the end of the lineup until the game is over. The late player should be allowed to start playing as soon as they are ready to play. Let the other team know so they can update their scorebook.

9.3.0.1 – If time runs out after the home team has scored the ‘go-ahead’ run, the game will stand and the home team will win, the game will NOT revert back to the last inning.

9.4.0 - Home team will be the official scorekeeper.

9.5.0 - Each team shall bat their entire roster.

9.5.1 – Teams will switch sides after the last batter in the line-up has batted.

9.5.2 – Scoring will be based on the number of batters on the team with the fewer amount of players. The team with more players will only count runs up until the number of players on the opposing team. i.e. If *Team A* has 10 players and *Team B* has 12 players, *Team B* will only count runs up to the 10th batter. Batters 11 and 12 will still have an at-bat but any runs or RBI’s from those batters will not count as a score.

9.5.3 – If the batting line-up is reduced due to a player leaving, the batters counting on the opposing teams lineup will remain the same. This is an established lineup from the beginning of the game. Players leaving the lineup will be considered an “out” for the remainder of the game.

9.5.4 – The last batter shall be played as if there were “two outs.” When the number of scoring players is determined, the player in that position on the team with more players will be designated as the “two-out batter.”

9.6.0 - There is a maximum of **five** coaches allowed in the dugout.

9.6.1 – There is a maximum of 2 adult defensive coaches allowed in the outfield.

9.6.2 – There is a maximum of 4 adult offensive coaches allowed on the field.

9.6.2.1 – Offensive base coaches must remain in their respective coaches boxes.

9.6.2.2 – The only other offensive coach allowed on the field is the pitcher. An offensive person may back up the opposing teams’ catcher if the pitcher desires (this person is intended to keep the game moving along, this is **not** a coaching position.)

9.6.3 – Any other coaches (if applicable) must remain inside the dugout

9.0.7 - Four innings shall be played time permitting. There is a drop dead time limit on all games. --If the game is incomplete after the time limit has expired, the score shall revert back to the last completed inning.

-If after your allotted innings the game is tied, you may play additional innings if time permits to break the tie. If time runs out, the tie will stand. Clarification: If time runs out during a tie-breaking inning after the home team has gone ahead, the home team will win.

-If after 4 innings, the game is complete and there is time to play additional innings. Teams may do so, but the game result will be complete at 4 innings.

9.0.8 – Base coaches are prohibited from touching (pulling or pushing) a base runner, the runner may be declared out.

9.0.9 – The outfield cones will be ~70 feet from the bases. From Home to First to the cones in right field is a total of ~130 ft. From Home to Third to the cones in left field is a total of ~130 ft. From Home to second base to center field is a total of ~154 ft.

9.1.5 – The 'kid pitcher' – See rule **9.3.3**

9.2 - Runners

9.2.0 - On a ball hit to the outfield that is stopped by a fielder or remains inside the cones, runners may advance until the ball is thrown toward the infield. If a fielder holds the ball, runners may advance. As soon as the ball is thrown (released) toward the infield, runners can only advance to the base they are already headed toward. All advances are at the runner's risk.

9.2.1 – A ball that rolls past the cones will result in a "max base" scenario and negates any "when the ball is released" situation.

9.2.2 - A runner may not leave his base until the pitched ball reaches the plate. If the runner does leave early, he must return to the base from which he started.

Abuse of this may result in the runner being called out.

9.2.3 - A runner may not advance when an infielder has possession of the baseball.

9.2.3.1 – Once possession is secured by the infielder, a runner standing on second or third base may not advance.

9.2.3.1 – An infielder has possession of the ball once it is fielded or picked up. If the ball is kicked, swatted, or deflected the runner(s) may advance.

9.2.3.2 – If an infielder runs to the outfield to retrieve the ball, he becomes an outfielder thus allowing the runner(s) to advance bases until the ball is released.

9.2.4 - A runner on third base may advance ONLY when the ball is hit.

9.2.5 - Runners can advance only one base on an overthrow. If a play is made on the initial overthrow, additional advances are not permitted. A runner on third base, however, may advance only when the ball is hit.

9.2.6 - Runners leaving the baseline to avoid a tag shall be declared out. (~3 feet on each side)

9.2.7 - Runners on base may not advance if a fly ball is caught by an infielder.

9.2.8 – Runners may NOT intentionally collide with a defensive player even if they have "the right to the base path" etc. The runner will be called out and possibly ejected from the game.

9.3 - Fielders

9.3.0 – A **Rookie AAA** team shall have a maximum of six infielders and four outfielders (10 players on the field. Only 6 players may be in the infield. A maximum of 4 outfielders must line up in the outfield grass.

9.3.1 – **Rookie AAA** - A catcher must be used unless a team has 8 or less players. If a team has 8 or less players, then the catching position is optional and the game may be played without a catcher. Clarification: If a team has 9 or more players, a catcher must be used.

9.3.2 – Infield players should be taught proper defensive positioning with base runners to avoid interference with a runner... i.e. (one foot on the edge of the base instead of standing on it and standing in front of or behind the base path, instead of standing in the base path.)

Interference by a defensive player may result in the runner being awarded the base.

An offensive player intentionally colliding with a defensive player will be called out and possibly ejected from the game.

9.3.3 – Proper infield player positions should be emphasized. The “kid pitcher” must have at least one foot in the pitching box when the ball is pitched (unless the coach pitcher elects to throw from beyond the box, then the player may be to the right, left, or behind the coach pitching the ball.)

9.4 – Three strikes are an out. A batter has six pitches to hit the ball into play. A strike is only called on a swing and a miss. If the sixth pitch (and any subsequent pitch) is fouled off, another pitch is thrown. If the sixth pitch is NOT swung on, the batter shall be declared out.

9.4.0 - A ball hit in the air that lands past the cones shall be ruled a home run.

9.4.1 - A ball hit in the air that lands between the infield/outfield grass and the cones, and rolls past the cones, shall be a maximum of a triple; however, any advances are at the runner's risk.

9.4.2 - A ball hit on the ground (infield dirt) that rolls past the cones shall be a maximum of a double; however, any advances are at the runner's risk.

9.4.3 - Any ball hit that rolls past the cones earns the batter a chance to try and make it to a “max determined base” at their own risk which negates the “release point” of the outfielders throw in.

9.4.4 - A ball hit, whether in the air or on the ground, that does not roll past the cones, shall be a live ball with the runner taking as many bases as possible.

9.4.5 – Bunting is **not** permitted.

9.4.6 - The last batter shall be played as if there were “two outs.”

9.4.6.1 – All runs scored before the out is made, will count (if it's a tag-out situation.)

If on the other hand, the runner made it home after the out was actually made, the run would not count. If the out occurred on a force-out situation, the run at home would not count, even if it was achieved before the out was made.

9.4.7 - The last batter on a team with more players will be determined by the number of players on the team with lesser players. That batter will be designated as the “two-out” batter.

9.4.8 – Batting out of order: A batter who misses their at-bat will bat at the end of the line-up and will not produce any runs. They will reenter their original position in the line-up the next inning.

9.4.8.1 – An ‘at-bat’ will be determined by one pitch being thrown.

10.0.0.2 – Age verification will be done via birth certificate.

10.0.1 – Seasons

10.0.1.0 – 9-12 game Spring season (Mar-June)

10.0.1.1 – 9-12 game Fall season (Sept-Dec)

10.0.3 – A lineup card shall be submitted prior to the start of every game.

10.0.2 – A lineup card shall include batting order, players first and last name and uniform number

10.0.6 – Each team will get 3 outs per half inning and then switch sides.

10.0.8 – An offensive coach may choose to concede at any time. The defensive coach should accept and have his players come off the field.

10.0.9 – Two adult base coaches must be used.

10.0.10 – **Four innings** shall be played, time permitting. There is a **1 hour 30 minute**

“no new inning” time limit on all games. If the inning being played is not finished at 1:30, the game shall continue until the end of that inning and then the game will be over. No new inning will be started. Please keep the games moving along. If after your allotted innings the game is tied, you may play additional innings if time permits to break the tie. If the game is tied AFTER 1:30, the tie shall stand. If after 3 ½ innings the Home Team is ahead and has technically and officially won the game, the score shall be recorded at that point. The Home Team may take their last at bats (It will be the Home Teams option and with time permitting,) but any runs scored *shall not* count toward the final score. If the final ½ inning is played, any runs scored will be used to break potential ties at the end of the season.

10.1 – Rosters

10.1.0 – An official roster must be on file with the league.

10.1.1 – Only players on the official roster may play in a game or be in the dugout.

10.1.2 – The coach may recruit his entire roster.

The batting order will be determined before the start of the game and will be added to the line-up card and presented to the umpire. Any players arriving late will be added to the bottom of the line-up. If a player needs to leave during the game after having an ‘at bat’, the line-up will collapse without incurring an out. If the player returns to the game they will be re-added at the bottom of the line-up

10.3 - Runners

10.3.0 - Leadoff's are not permitted.

10.3.1 - Runners may **NOT** attempt to advance to the next base until the ball is hit into play.

10.3.2 - Runners may only advance up to third base on an overthrow. If a play is made after the initial overthrow, additional advances are permitted.

10.3.3 - A missed throw from the outfield will not be considered an overthrow.

10.3.4 - A base-runner may not advance to the next base once the ball is under control by an infielder. *"Under control" is a judgment call by the umpire!*

10.3.5 - A runner on third base may advance ONLY when the ball is hit into play.

10.3.5.1 - A runner approaching third base may not advance home on an over-throw (at any base.)

10.3.5.2 - A runner approaching third base may not advance home when an infielder has control of the ball. *Clarification: A fielder receiving the relay from the outfielder must be on the infield dirt to be considered a controlling infielder.*

Note: The umpire may send the runner back to third base if, in their judgment, the runner was not around the base at the time of infield possession or on an over-throw.

10.3.6 - Runners leaving the baseline to avoid a tag shall be declared out. (~3 feet on each side)

10.3.7 - Runners on base may not advance if a fly ball is caught by an infielder.

10.3.8 - Runners may **NOT** intentionally collide with a defensive player even if they have "the right to the base path" etc. The runner will be called out and possibly ejected from the game.

Coaches note: Do not teach/coach your kids bad base-running habits that eventually (when the kids get old enough to make consistent throws and can consistently catch the ball) will result in "bad base-running" outs. COACH YOUR PLAYERS IN A WAY THAT WILL PREPARE THEM TO PLAY AT THE NEXT LEVEL.

10.4 - Batters

10.4.0 - The batter will receive a full pitch count from the opposing team's pitcher.

10.4.1 - A batter will be called out after the 3rd strike.

10.4.2 - The batter will be awarded first base if hit by the 'Kid pitcher.'

10.4.3 - There will be no walks or "base on balls"

10.4.4 - If the opposing team's pitcher throws four (4) balls the offensive coach will enter the game and throw a maximum of three (3) pitches for the batter to hit the ball in play. There will be unlimited foul balls.

10.4.2 - The batter is not allowed to bunt when the offensive coach is pitching.

10.4.5 - If the batter doesn't put the ball into play after the third pitch from the offensive coach (excluding foul balls) the batter will be called out.

10.5 - Pitchers

10.5.0 - 'Kid pitchers' shall pitch from a distance of 40 feet, and will deliver a 'full count' to the batter.

10.5.1 - A pitcher may not exceed the recommended amount of pitches in any game. Both teams shall keep track of pitch count. The Home Team will be the *official* pitch count unless the umpire determines the pitch count to be inaccurate.

10.5.1.0 - Rookie/Farm Division (ages 7 and 8) **40 pitches** (foul balls included)

10.5.1.1 - The umpire must be informed of the pitch count by the head coach

10.5.1.2 - If the pitcher has reached the pitch limit, they may finish pitching to the current batter and then removed from pitching. The umpire will not let the game continue with a pitcher who has exceeded the limit of pitches. If the team refuses to switch pitchers, the game will be a forfeit.

10.5.1.3 - Pitchers may return to the pitching position if they have not reached their pitch count

10.5.2 - If the 'full count' results in a 'walk', the offensive coach will finish pitching to the batter.

10.5.3 - The "coach pitcher" must have at least one foot on the mound and pitch from no closer than the front edge of the pitching mound.

10.5.4 - The "kid pitcher" must have at least one foot on the mound while the "coach pitcher" pitches.

10.5.5 - The "coach pitcher" shall throw a maximum of three (3) pitches. (Unless the last pitch is a foul ball.) There will be unlimited foul balls.

10.5.6 - The "coach pitcher" shall not field the ball after it has been hit.

10.5.7 - The "coach pitcher" shall attempt to get out of the way of a hit ball. If the "coach pitcher" is hit by the batted ball, deflects the ball, or interferes in any way with the batted ball, it shall be ruled a 'do over.' All situations will return to the point before the last pitch. (i.e. Pitch count and base runners)

10.5.8 – The “coach pitcher” shall avoid any interference with a play and get off the field as soon as safely and unobtrusively possible. If the coach intentionally interferes with the play, the batter/runner will be called out.

10.6 - Fielders

10.6.0 – A Rookie/Farm team shall have a maximum of six infielders and four outfielders (10 players on the field).

10.6.1 – A maximum of 4 outfielders may line up in the outfield. Only 6 players may be in the infield, in proper infield positions.

10.6.2 – The ‘kid pitcher’ shall start on the pitching mound.

10.6.3 – A catcher must be used.

10.6.3.0 – If a team only has the minimum amount of players (8) then there will only be two outfielders

10.6.3.1 – No coach (or other person) shall position themselves behind the catcher. i.e. no backup catcher will be allowed.

10.6.4 – If the ball is under control by an infielder who is no longer attempting to make a put-out and in the umpire’s judgment, base-runners are no longer attempting to advance to the next base, “time” will be automatically granted.

10.6.5 – Infield players should be taught proper defensive positioning with base runners to avoid interference with a runner... i.e. one foot on the edge of the base instead of standing on it and standing in front of or behind the base path, instead of standing in the path of the runner. Interference by a defensive player may result in the runner being awarded the base.

An offensive player intentionally colliding with a defensive player (even though the offensive player has the ‘right’ to the base path) will be called out and possibly ejected from the game.

SECTION 11 – Farm A & AA Division Rules

11.0 - Games

11.0.0 – Players – age 9-10

12.4 - Fielders

12.4.0 – A defensive player may not verbally confuse a runner, such as yelling "Back, back!" to a runner leading off and shall be considered Verbal Obstruction. OBSTRUCTION is the act of a fielder who, while not in possession of the ball, impedes the progress of any runner.

Only if it impeded the runner from advancing.

In either case the obstructed runner is awarded a minimum of one base beyond his position on base at the time of the obstruction.

In any case, Verbal Obstructions on the first offense should be a warning to the player and the Team Manager. All subsequent offenses shall be enforced ONLY if in the Umpires Judgment, the offense impeded the runner's ability to advance.

12.5.5.1 - The umpire may elect to visit the mound and explain the balk to the pitcher. This is a meeting between the umpire and the pitcher.

12.5.5.2 - If the coach elects to visit the mound it will constitute a coaching visit. If it is the second visit in the inning, or the third cumulative visit to the same pitcher, the pitcher must be removed from the mound.

12.5.5.3 - Third-to-first fake pickoff is now officially a balk.

12.5.6 – Intentional walks must be communicated to the umpire. The umpire may put the batter on first base. Four pitches do not need to be thrown.

SECTION 13 – Umpires

13.0.1 - The league president shall supply appropriate umpires to officiate league games as needed. The umpires shall be responsible for the conduct of the game in accordance with these official rules and for maintaining discipline and order on the playing field during the game.

13.0.1.1 – If an umpire has not arrived by game time, a league representative should be notified. The game clock starts at the discretion of the umpire or league official if an umpire is not present. The game may get started without an official umpire.

13.0.2 - Each umpire is a representative of the league and of professional baseball, and is authorized and required to enforce all of these rules. Each umpire has authority to order a player, coach, manager, or fan(s) to do or refrain from doing anything which affects the administering of these rules or the game being played, and to enforce the prescribed penalties.

13.0.3 - Each umpire has authority to rule on any point not specifically covered in these rules.

13.0.4 - Each umpire has authority to disqualify any player, coach, manager or substitute for objecting to decisions or for unsportsmanlike conduct or language, and to eject such disqualified person from the playing field. If an umpire disqualifies a player while a play is in progress, the disqualification shall not take effect until no further action is possible in that play.

13.0.5 - Each umpire has authority at their discretion to eject any spectator from the playing field, stands or ballpark or any person not authorized to be on the playing field.

13.0.6 – Umpires Decisions

13.0.6.1 – Any umpire's decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, manager, coach or substitute shall object to any such judgment decisions.

13.0.6.2 Comment: Players leaving their position (in the field or on base,) or managers or coaches leaving the bench or coaches box, to argue on BALLS AND STRIKES will not be permitted. They should be warned if they start for the plate to protest the call. If they continue, they may be ejected from the game.

13.0.6.2 – If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision.

13.0.6.3 – If a decision is appealed, the umpire making the decision may ask another umpire for information or a league representative before making a final decision. No umpire shall criticize, seek to reverse or interfere with another umpire's decision unless asked to do so by the umpire making it.

13.0.6.4 Comment: The manager or the catcher may request the plate umpire to ask his partner (if there are 2 umpires) for help on a half swing when the plate umpire calls the pitch a ball, but not when the pitch is called a strike. The manager may not complain that the umpire made an improper call, but only that he did not ask his partner for help. Field umpires must be alerted to the request from the plate umpire and quickly respond. Managers may not protest the call of a ball or strike on the pretense they are asking for information about a half swing. Appeals on a half swing may be made only on the call of ball and when asked to appeal, the home plate umpire must refer to a base umpire for his judgment on the half swing. Should the base umpire call the pitch a strike, the strike call shall prevail. Baserunners must be alert to the possibility that the base umpire on appeal from the plate umpire may reverse the call of a ball to the call of a strike, in which event the runner is in jeopardy of being out by the catcher's throw. Also, a catcher must be alert in a base stealing situation if a ball call is reversed to a strike by the base umpire upon appeal from the plate umpire. The ball is in play on appeal on a half swing. On a half swing, if the manager comes out to argue with first or third base umpire and if after being warned he persists in arguing, he may be ejected as he is now arguing over a called ball or strike.

13.0.6.5 – No umpire may be replaced during a game unless he is injured, becomes ill, or for reasons approved by the league president.

13.0.7 – Umpire-in-Chief

13.0.7.1 – If there is only one umpire, he/she shall have complete jurisdiction in administering the rules. He/She may take any position on the playing field which will enable him/her to discharge his/her duties (usually behind the catcher, but sometimes behind the pitcher if there are runners).

13.0.7.2 – If there are two or more umpires, one shall be designated umpire-in-chief (Plate) and the other, field umpire (Bases.)

13.0.8 – Umpire Duties

13.0.8.1 – The umpire-in-chief shall stand behind the catcher. (usually called the “Plate” umpire.)

Duties shall be to:

- (1) Take full charge of, and be responsible for, the proper conduct of the game;
- (2) Call and count balls and strikes;
- (3) Call and declare fair balls and fouls except those commonly called by field umpires;
- (4) Make all decisions on the batter;
- (5) Make all decisions except those commonly reserved for the field umpires;
- (6) Decide when a game shall be forfeited;
- (7) If a time limit has been set, announce the fact and the time set before the game starts;
- (8) Inform the official scorer of the official batting order, and any changes in the lineups and batting order, on request;
- (9) Announce any special ground rules, at their discretion.

13.0.8.2 – Field umpires may take any position on the playing field they think best suited to make impending decisions on the bases.

Duties shall be to:

- (1) Make all decisions on the bases except those specifically reserved to the umpire-in-chief;
- (2) Take concurrent jurisdiction with the umpire-in-chief in calling “Time,” balks, illegal pitches, or defacement of the ball by any player.
- (3) Aid the umpire-in-chief in every manner in enforcing the rules, and excepting the power to forfeit the game, shall have equal authority with the umpire-in-chief in administering and enforcing the rules and maintaining discipline.

13.0.9 – Reprimands

13.0.9.1 – The umpire shall report to the league representative after the end of a game all violations of rules and other incidents worthy of comment, including the disqualification of any manager, coach or player, and the reasons therefore.

13.0.9.2 – When any manager, coach or player is disqualified for a flagrant offense such as the use of obscene or indecent language, or an assault upon an umpire, manager, coach or player, the umpire shall inform a league representative of all particulars after the end of the game.

13.0.9.3 – After receiving the umpire’s report that a manager, coach or player has been disqualified, the league representative shall notify the league president who shall impose such penalty as he deems justified, and shall notify the person penalized and the manager of the team of which the penalized person is a member.
